Diploma 2020-2023	Computer Science & Engineering	Government Polytechnic College	TS SBTET	7.88 CGPA
10th Standard 2019-2020	SSC	TS T W R School(boys)	TS SSC	9.7 CGPA

SKILL SET

- **Programming** : C, Java, Python and Data Structures
- **Frontend** : HTML, CSS
- **Database** : MySQL
- **Communication** : Good Communication skills, Optimistic

PROJECT

Payroll Management System

I built a user-friendly payroll calculator that lets you Calculate salaries automatically , Choose between preset employee profiles or enter custom hours/rates , I used Node.js for the backend and kept it simple with a clean HTML/CSS interface. The system stores employee data in a database but also works with manual inputs, making it flexible for different needs.

CERTIFICATIONS

1. Java programming Fundamentals - (Infosys Springboard)
2. Python with Data Structures and Algorithms - (Infosys Springboard)
3. Problem Solving (Basic) - (HackerRank)

ACHIVEMENTS

Participated in 24 Hours Hackathon conducted by TechXcelerate at Anurag University.

Hobbies : Arts and Pencil-Sketching

Languages Known : English , Telugu

DECLARATION

I solemnly declare that all the information stated above is true to the best of my knowledge and belief.
